(TB)

The snow is snowing, the wind is blowing

But I can weather the storm!

What do I care how much it may storm?

I've got my love to keep me warm

(A)

I can't remember a worse December

Just watch those icicles form!

What do I care if icicles form?

I've got my love to keep me warm

Off with my overcoat, off with my glove

I need no overcoat, I'm burning with love!

(A)

My heart's on fire, the flame grows higher

So I will weather the storm!

(Both)

What do we care how much it may storm?

We've got our love to keep us warm

Musical Interlude

(A)

Off with my overcoat off with my glove

I need no overcoat, I'm burning with love!

(Both)

With love...

(TB)

My heart's on fire, the flame grows higher

So I will weather the storm!

(Both)

What do we care how much it may storm?

We've got our love to keep us warm

We've got our love to keep us warm!
