"JUST IN TIME – duet with Michael Bubl"

Just in time, I found you just in time
Before you came, my time was runnin' low
I was lost, the losin' dice were tossed
My bridges all were crossed, nowhere to go
Now you're here and now I know just where I'm goin'
No more doubt or fear, I found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day

Mm, I was lost, the losin' dice were tossed
My bridges all were crossed, nowhere to go
Now you're here and now I know just where I'm goin'
No more doubt or fear, I found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day
