You're clear out of this world  
When I am looking at you  
I hear out of this world  
The music that no mortal ever knew

You're right out of a book  
The fairy tale I read when I was so high  
No amoured knight out of a book  
Was more enchanted by a laurel life

And I after waiting so long for the right time  
After reaching so long for a star  
All at once from the long and lonely nighttime  
And despite time, here you are

I'd cry out of this world  
If you said we were through  
So let me fly out of this world  
And spend the next eternity or two with you

After waiting so long for the right time  
After reaching so long for a star  
And at once from the long and lonely nighttime  
And despite time, here you are

I'd cry out of this world  
If you said we were through  
So let me fly out of this world  
And spend the next eternity or two with you

You're clear, out of this world  
Out of this world, out of this world
