People, people who need people
Are the luckiest people in the world

We're children needing other children
And yet, letting our grown up pride
Hide all the need inside
Acting more like children than children

Lovers are very special people
They're the luckiest people in the world
With one person, one very special person
A feeling deep in your soul
Says, "You are half, now you're whole"

No more hunger and thirst
But first be a person who needs people
People who need people
Are the luckiest people in the world

Lovers are very special people
They're the luckiest people in the world
With one person, one very special person
A feeling deep in your soul
Says, "You are half, now you're whole"

No more hunger and thirst
But first be a person who needs people
People who need people
Are the luckiest people in the world
