Brothers, sisters  
Listen to what I say  
Moanin' and groanin'  
Won't drive those blues away  
Lift up your voices in song  
You know you've all done wrong

You sinners, drop everything  
And let that harmony ring  
Up to Heaven  
And sing, you sinners

Just wave your arms all about  
And let the Lord hear you shout  
Pour the music right out  
And sing, you sinners

Whenever there's music  
The Devil kicks  
He don't allow music  
By the river Styx

You're wicked and you're depraved  
And you've all misbehaved  
If you wanna be saved  
Well, sing, you sinners

Well, up until now  
I've been asking you singers to sing  
But if you can't sing, dance  
C'mon band, swing

Swing, swing, swing  
Swing, you sinners  
Swing, swing, swing  
Swing, you sinners

Whenever there's music  
The Devil kicks  
He don't allow music  
By the river Styx

You're wicked and you're depraved  
And you've all misbehaved  
If you wanna be saved  
If you wanna be saved  
Well, sing, you sinners
