When all the world is a hopeless jumble  
And the raindrops tumble, all around  
Heaven opens a magic lane

When all the clouds darken up the sky way  
There's a rainbow highway to be found  
Leading from your window pane  
To a place behind the sun  
Just a step beyond the rain

Somewhere over the rainbow  
Way up high  
There's a land that I heard of  
Once in a lullaby

Somewhere over the rainbow  
Skies are blue  
And the dreams that you dare to dream  
Really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
And way above the chimney tops  
That's where you'll find me

Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh, why can't I?

Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh, why can't I?

If happy little bluebirds fly  
Beyond the rainbow  
If happy little bluebirds fly  
Beyond the rainbow  
Why, oh why, can't I?

Let's go there
