I walk around heavy hearted and sad
Night comes around and I'm still feeling bad
Rain pourin' down, blindin' every hope I had
This pitter patter n beatin'
spatterin' drives me mad
Love, love, love, love, this misery is just too much for
me

Don't know why there's no sun up in the
sky
Stormy weather, since my girl and I ain't
together
Keeps raining all the time

Life is bare, gloom and misery everywhere
Stormy weather, I just can't get my poor self together
So weary all the time, all the time

Since he went away, all the blues walked in and met me
If she stays away, old rocking chair's gonna get me
All I do is pray that the lord above will let me walk in the
sun once more

Can't go on, everything I had is gone
Stormy weather, since my girl and I ain't together
Keeps raining all the time, all the time
Keeps raining all the time

Can't go on, everything I had is gone, stormy weather
Stormy weather, since my man and I ain't together
Keeps raining all the time, all the time
Keeps raining all the time
Keeps raining all the time
