Here I go again
I hear the trumpets blow again
I'm all aglow again
Taking a chance on love

Here I slide again
About to take the ride again
On starry eyed again
Taking a chance on love

Now I thought that cards were a frame-up
And I never would try
But now I'm taking the game up
And the ace of hearts is high

Things are mendin' now
I see a rainbow blendin' now
We'll have a happy endin' now
Taking a chance

I hear the trumpets blow again
And we're taking a chance
About to take that rhyme again
Taking a chance

Now I walk around with a horseshoe
And in Clover I lie
Mr. Rabbit, Mr. Rabbit of course
You better kiss that foot goodbye

I'm on the ball again, riding for a fall again
I'm gonna give my all again
Taking a chance, I'm taking a chance
I'm taking a chance on love
