Out of the tree of life I just picked me a plum
You came along and everything started to hum
Still it's a real good, bet the best is yet to come

The best is yet to come and, babe, won't it be fine?
You think you've seen the sun but you ain't seen it shine

Wait till the warm-up's underway, wait till our lips have
met
Wait till you see that sunshine day, you ain't seen
nothin' yet

The best is yet to come and, babe, won't it be fine?
The best is yet to come, come the day you're mine

Come the day you're mine, I'm gonna teach you to fly
We've only tasted the wine, we're gonna drain the cup
dry

Wait till your charms are right for these arms to
surround
You think you've flown before but you ain't left the
ground

Wait till you're locked in my embrace, wait till I draw
you near
Wait till you see that sunshine place, ain't nothin' like it
here

The best is yet to come and, babe, won't it be fine
The best is yet to come, come the day you're mine

Out of the tree of life I just picked me a plum
You came along and everything started to hum
