The Right Kind Of Wrong

Know all about
About your reputation
And how it's bound to be a heartbreak situation
But I can't help it if I'm helpless
Everytime that I'm where you are
You walk in and my strength walks out the door
Say my name and I can't fight it anymore
Oh I know, I should go
But I need your touch just too damn much
Loving you isn't really something I should do
Shouldn't wanna spend my time with you
That I should try to be strong
But baby you're the right kind of wrong
Yeah baby you're the right kind of wrong
Might be a mistake
A mistake I'm making
But what you're giving I am happy to be taking
Cause no one's ever made me feel
The way I feel when I'm in your arms
They say you're something I should do without
They don't know what goes on
When the lights go out
There's no way to explain
All the pleasure is worth all the pain
Loving you isn't really something I should do
Shouldn't wanna spend my time with you
That I should try to be strong
But baby you're the right kind of wrong
Yeah baby you're the right kind of wrong
I should try to run
But I just can't seem to
Cause everything I run you're the one I run to
Can't do without, what you do to me
I don't care if I'm in too deep
Know all about
About your reputation
And how it's bound to be a heartbreak situation
But I can't help it if I'm helpless
Everytime that I'm where you are

Oh I know I should go
But I need your touch just too damn much
Loving you isn't really something I should do
Shouldn't wanna spend myh time with you
That I shold try to be strong
But baby you're the right kind of wrong
Yeah baby you're the right kind of wrong
