This is our last dance together  
Tonight soon will be long ago  
And in our moment of parting  
This is all I want you to know

There will be many other nights like this,  
And I'll be standing here with someone new,  
There will be other songs to sing, another fall, another  
spring,  
But there will never be another you.  
There will be other lips that I may kiss,  
But they won't thrill me like yours used to do,  
Yes, I may dream a million dreams,  
But how can they come true,  
If there will never ever be another you.
