I see trees of green, red roses too
I see them bloom for me and you
And I think to myself
What a wonderful world

I see skies of blue and clouds of white
The bright blessed day and the dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people goin' by

I see friends shakin' hands
Sayin', "How do you do?"
They're really sayin'
"I love you"

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself
What a wonderful world

Don't you think Satchmo was right?
What a wonderful world
You were right, Pops
