Maybe he's not much
Just another man doing what he can
What does she care
When a woman loves a man

She'll just string along
All through thick and thin till his ship comes in
It's always that way
When a woman loves a man

She'll be the first one to praise him when he's going
strong
The last one to blame him when everything is wrong
It's such a one sided game that they play
But women are funny that way

Tell her she's a fool
She'll say, "Yes I know but I love him so"
And that's how it goes
When a woman loves a man

Tell her she's a fool
She'll say, "Yes I know but I love him so"
And that's how it goes
When a woman loves a man
