I used to wonder
If life could be worthwhile
If there was some way
I'd ever rate a smile

Love had no meaning
Until you happened by
If life's worth living
There's every reason why

You showed me the way
When I was someone in distress
A heart in search of happiness
'Cause you showed me the way

My skies were so gray
I never knew I'd feel a thrill
I couldn't dream a dream until
You showed me the way

The moment you found me
The shadows around me
Just disappeared from view
The world became rosy
Each corner so cozy
Darling, all because of you

Oh, you showed me the way
And if I've learned that love can be
A paradise for you and me
Here's all I can say
You showed me the way

The moment you found me
The shadows around me
Just disappeared from view
The world became so rosy
Each corner so cozy
Darling, all because of you

You showed me the way
And if I've learned that love can be

A paradise for you and me
'Cause here's all I can say
You, you showed me the way
