You chose to leave
I wasn't gonna beg you to stay
You made up your mind
So why would I stand in your way?
I fell out of love
when I should've been protecting my heart.
Now nothing matters
It's time to guard myself
from hurting
And cover all my wounds

Behind these walls
I won't grieve
Behind these walls
My heart won't feel a thing
Behind these walls
Nothing will get through
Behind these walls
I'm not missing you

Today feels the same
As yesterday and the day before
I didn't think of you
Though I don't think of you anymore
'Cause I have moved on
Bet you never thought that I would
Yes I'm, still standing
And I've not broken down
I've not shed one tear
Fine here on my own

Behind These Walls
I have no fear
Behind These Walls
The pain just disappears
Behind these walls
Nothing can get through
Behind These Walls
I'm not missing you
Oh Oh Oh
I won't let you in again

You know I'm stronger than I've ever been!

Behind these walls,
You're not gone
Behind these walls
Time has not moved on
Behind these walls
You're still here with me
Behind these walls I'm living
Behind these walls I'm breathing
Behind these walls I'm not missing you

Behind these walls
I'm not missing, you
