Something has changed within me
Something is not the same
I'm through with playing by
The rules of someone else's game
Too late for second guessing
Too late to go back to sleep
It's time to trust my instincts
Close my eyes and leap

It's time to try defying gravity
Kiss me goodbye, I'm defying gravity
And you can't bring me down
Mmm-mmm

I'm through accepting limits
Cos someone says they're so
Some things I cannot change
But 'til I try I'll never know
Too long I've been afraid of
Losing love I guess I've lost
Well if that's love it comes at
Much too high a cost

I'd sooner buy defying gravity
I'm way up high, I'm defying gravity
Kiss me goodbye, I'm defying gravity
And you won't bring me down

Unlimited
My future is unlimited
And I just had a vision
Almost like a prophecy
I know
It sounds truly crazy
And, true, the vision's hazy
But I can see it
I can feel it
I swear I'll be so high
Yeah yeah

So if you care to find me

Look to the western sky
As someone told me lately
Everyone deserves a chance to fly
And if I'm flying solo
At least I'm flying free
To those who ground me
Take a message back from me
Ah yeah

It's time to try defying gravity
I'm way up high, I'm defying gravity
Kiss me goodbye, I'm defying gravity
And you won't bring me
You won't bring me down
Aaah
Ah-ah-ah-ahhh
