If you see him
Tell him I wish him well
How am I doing?
Well sometimes it's hard to tell
I still miss you more than ever
But please don't say a word
If you see him
Oh if you see him

If you see her
Tell her I'm doing fine
And if you want to
Say that I think of her
From time to time
Ask her if she ever wonders
Where we both went wrong
If you see her
If you see her

Oh, I still want her
And I still need him so
Oh I don't know why we let each other go

if you see her,
Tell her the lights still on for her

Nothing's changed
Deep down the fire still burns
For him

And even if it takes forever
Say I'll still be here

If you see him

If you see her

If you see him

If you see her
