Baby set me free From this misery
I cant take it no more
Since you ran away, Nothings been the same
dont know what i'm livin for

Here i am, so alone
and there's nothing in this world i can do

Untill you're back here baby
Miss you, want you, need you so
Untill you're back here baby yeh
There's a feelin inside, I want you to know
You are the one and i can't.... let you go

So i told you lies, Even made you cry
Baby i was so wrong.
Girl i promise you, Now my love is true
This is where my heart belongs

Cos here i am, so alone
and there's nothing in this world i can do

Untill you're back here baby
Miss you, want you, need you so
Untill you're back here baby yeh
There's a feelin inside, I want you to know
You are the one and i can't.... let you go

And i wonder...
Are you thinkin of me?
Cos i'm thinkin of you.

And i wonder...
Are you ever comin back in my life?

Cos here i am, so alone
and there's nothing in this world i can do...

Untill you're back here baby
Miss you, want you, need you so
Untill you're back here baby yeh

There's a feelin inside, I want you to know
You are the one and i cant...

Untill you're back here baby....
Untill you're back here baby
Untill you're back here baby

There's a feelin inside, I want you to know
You are the one and i cant...

Untill you're back here baby....
Untill you're back here baby
Untill you're back here baby
Untill you're back here baby.... yeh
Untill you're back here baby
Untill you're back here baby
