HooooooooooooYeah... Ohhhoh...
HooooooooooooYeah...

Just when
I thought we were going somewhere
Why did you go?
You said
You needed time on your own
Now I'm alone
Can't you see? It's true...
That you had your chance
I've been waiting for you

I can't go on like this
No longer can I resist
I'm getting stronger, Days getting longer
And I... feel like it's going away
Cause I can't go on like this

Tell me...
What did I do that was wrong
I wanna know... Ohhh...
Slowly...
As though we were drifting apart
We didn't know
Can't you see? It's true...
That you had your chance
I've been waiting for you

I can't go on like this
No longer can I resist
I'm getting stronger, Days getting longer
And I... feel like it's going away
Cause I can't go on like this

When I gave my heart to you
You can't deny that you said that you loved me
What else can we do?
Can't you see?
It was never meant to be
Oh... No...

I can't go on like this
No longer can I resist
I'm getting stronger, Days getting longer
And I... feel like it's going away
Cause I can't go on like this

I can't go on like this
No longer can I resist
I'm getting stronger, Days getting longer
And I... feel like it's going away

I can't go on like this
(Oooh) No longer can I resist (No longer can I resist)
I'm getting stronger, (Ohhh.. Yeah) Days getting longer
And I... feel like it's going away
