"If I Could Fly"

Close your eyes
Imagine we are all alone
Baby you and me
Watching stars
Shining high up in the sky
But this reality
Oceans apart
And getting deeper every day
But not as deep as my heart

Chorus
Baby if I could fly
I'll fly into your arms
Baby if you could fly
Remember we're apart

Let's fly away

Days go by
Time is slowly, slips away
Soon I have your love
In the end
Girl you know that I can stay
One kiss is just enough
Oceans apart
Are getting deeper everyday
But not as deep as my heart

Chorus

We've got to spread our wings
Let's fly away, let's fly away
We've got to fly away
Fly away

Chorus till end
