There's so many reasons that I find  
To run to you  
Coz there's so little lovin'  
In my life now I'm awake

And thinkin' about it  
I want things back  
How they used to be  
Coz theres no way around this  
Nothing good comes easily

So much between us  
And we both know that it's wrong  
So I keep on waiting  
'til I'm back where I belong

CHORUS  
So here I am  
All by myself  
Thinkin' of you  
Nobody else  
There's a feelin' inside  
And as hard as I try  
It just won't go away  
Are you findin' it hard  
All on your own?  
Having to face each night alone  
Knowing you are the one  
With the love that I need  
And I miss you more each day

So many feelings  
emotion's running away with me  
Coz its you I believe in  
And our love can run so deep

So much between us  
And we both know that it's wrong  
Now I keep on waiting  
'til I'm back where I belong  
(Back where I belong)

(CHORUS)

So I keep on waiting  
'til I'm back where I belong  
Back where I belong

(CHORUS to fade
