I lie awake and die
I try but can't deny
That I can't make it without her
I can't forget the day
I let her slip away
And I'm still dreaming about her
Can a heart forgive
'Cause I just can't live without her

CHORUS

The next time you see my girl
Won't you say that I
I would die
I would die to hold her
The next time you see my girl
Won't you tell her
I love her
The next time you see my girl

(Maybe the next time)
I walk the streets and I
See lovers passing by
And it's all a reminder
Of what it used to be
When she was here with me
I only wish I could find her
Did she disappear
Cause I'm waiting right here for her

CHORUS

I close my eyes
I see her face and I realize
(She was there)
Right in front of me
I had it all, but I set her free
So next time you see my girl
Oh woah, won't you tell her that I'm sorry
And tell her that I love her

CHORUS
