[This Week in Bible Prophecy]

God has a plan and the bible unfolds that wonderful  
plan

through the message of prophecy

God sent Jesus into this world to be our saviour

And that Christ is returning someday soon

to unfold the wonderful plan of eternity for my life and  
your life

As long as we're cooperating with God

by accepting Jesus Christ as our personal Lord and  
saviour

And as the Lord does return in the coming seven days

We'll see you next time here on This Week in Bible  
Prophecy

[Tupac]

Tupac don't start that blasphemy in here!

Makaveli, the new breed -- and I remember what my  
pops told me

The new word, follow me -- remember what my pops  
told me

My family tree, consists of drug dealers, thugs and  
killers

Strugglin, known to hustle screamin fuck they feelings

I got advice from my father, all he told me was this

Niggaz, get off your ass if you plan to be rich

There's ten rules to the game, but I'll share with you  
two

Know, niggaz gon' hate you for whatever you do

Now rule one -- get your cash on, M.O.B.

That's Money Over Bitches, cause they breed envy

Now rule two is a hard one, watch for phonies

Keep yo', enemies close nigga, watch yo' homies

It seemed a little unimportant, when he told me I  
smiled

Picture jewels being handed, to an innocent child

I never knew in my lifetime I'd live by these rules

Initiated as an outlaw, studying rules

Now papa ain't around, so I gotta recall

or come to grips with bein on my enemy's wall (rest in  
peace)

Promised if I have a seed, I'ma guide him right

Dear Lord don't let me die tonite

I got words for my comrades, listen and learn

Ain't nuttin free, give back what you earn, no doubt

Gettin higher than a motherfucker, blessed and  
pleased

This Thug Life'll be the death of me, c'mon, yeah

And I remember what my papa told me

Remember what my papa told me, blasphemy

Chorus: Prince Ital

Love for dem dat steal in the name of da Lord

Dem a tell nuff lie but holdin my bird in a cloud

Usin de name of de Lord in vein

While de people in de ghetto, feel nuff pain

[Tupac]

We probably in Hell already, our dumb asses not  
knowin

Everybody kissin ass to go to heaven ain't goin

Put my soul on it, I'm fightin devil niggaz daily

Plus the media be crucifying brothers severely

Tell me I ain't God's son, nigga mom a virgin

We got addicted had to leave the burbs, back in the  
ghetto

doin wild shit, lookin at the sun don't pay

Criminal mind all the time, wait for Judgment Day

They say Moses split the Red Sea

I split the blunt and rolled the fat one, I'm deadly --  
Babylon beware

Comin from the Pharoahe's kids, retaliation

Makin legends off the shit we did, still bullshittin

Niggaz in Jerusalem, waitin for signs

God promised, she's just takin her time, haha

Living by the Nile while the water flows

I'm contemplating plots wondering which door to go

Brothas getting shot, comin back resurrected

It's just that raw shit, nigga check it (that raw shit)

And I remember what my papa told me

Remember what my papa told me, blasphemy

Chorus

[Tupac]

The preacher want me buried why? Cause I know he a  
liar

Have you ever seen a crackhead, that's eternal fire

Why you got these kids minds, thinkin that they evil

while the preacher bein richer you say honor God's  
people

Should we cry, when the Pope die, my request

We should cry if they cried when we buried Malcolm X

Mama tell me am I wrong, is God just another cop

waitin to beat my ass if I don't go pop?

Memories of a past time, givin up cash

to the leaders, knowin damn well, it ain't gonna feed us

In my brain how can you explain, time in D.C.

It's hard enough to live now, in these times of greed

They say Jesus is a kind man, well he should  
understand

times in this crime man, my Thug nation

Do whatchu gotta do but know you gotta change

Try to find a way to make it out the game

I leave this and hope God can see my heart is pure

Is heaven just another door? I leave this here

I leave this and hope God see my heart is pure

Is heaven just another door? And my people say

Chorus 4X

Our father, who art in heaven

Hallow be thy name

Thy kingdom come, thy will be done

In earth, as it is in heaven

Give us this day, our daily bread

As we give up our debts

As we forgive our debt-ors

Lead us not into temptation

but deliver us, unevil

For God, is the kingdom, and the power

and the glory forever, and ever, and ever
