Intro: Makaveli

Makaveli in this... Killuminati all through your body

The blow's like a twelve gauge shotty

Uhh feel me!

And God said he should send his one begotten son

to lead the wild into the ways of the man

Follow me; eat my flesh flesh and my flesh

Chorus: Makaveli

Come with me Hail Mary

Run quick see what do we have here

Now, do you wanna ride or die

La dadada, la la la la

Verse One: Makaveli

I ain't a killer but don't push me

Revenge is like the sweetest joy next to gettin pussy

Picture paragraphs unloaded, wise words bein quoted

Peeped the weakness int he rap game and sewed it

Bow down, pray to God hoping that he's listenin

Seein niggaz comin for me, to my diamonds, when  
they glistenin

Now pay attention, rest in peace father

I'm a ghost in these killin fields

Hail Mary catch me if I go, let's go deep inside

the solitary mind of a madman who screams in the  
dark

Evil lurks, enemies, see me flee

Activate my hate, let it break, to the flame

Set trip, empty out my clip, never stop to aim

Some say the game is all corrupted, fucked in this shit

Stuck, niggaz is lucky if we bust out this shit, plus

mama told me never stop until I bust a nut

Fuck the world if they can't adjust

It's just as well, Hail Mary

Chorus 2X

Verse Two: Makaveli

Penetentiaries is packed with promise makes

Never realize the precious time the bitch niggaz is  
wastin

Instutionalized I lived my life a product made to  
crumble

But too hardened for a smile, we're too crazy to be  
humble, we ballin

Catch me father please, cause I'm fallin, in the liquor  
store

That's the Hennessee I hear ya callin, can I get some  
more?

Hail til I reach Hell, I ain't scared

Mama checkin in my bedroom; I ain't there

I got a head with no screws in it, what can I do

One life to live but I got nuttin to lose, just me and you  
on a one way trip to prison, sellin drugs  
We all wrapped up in this livin, life as Thugs  
To my homeboys in Quentin Max, doin they bid  
Raise hell to this real shit, and feel this  
When they turn out the lights, I'll be down in the dark  
Thuggin eternal through my heart, now Hail Mary nigga

Chorus 2X

Verse Three: Kastro, Young Noble

They got a APB, out on my Thug family  
Since the Outlawz run these streets, like these skanless  
freaks  
Our enemies die now, walk around half dead  
Head down, K blasted off Hennessee and Thai  
Tryin it, mixed it, now I'm twisted blisted and high  
Visions of me, Thug livin gettin me by  
Forever live, and I multiply survived by Thugs  
When I die they won't cry unless they comin with slugs  
Peep the whole scene and whatever's goin on around  
me  
Brain kinda cloudy, smoked out feelin rowdy  
Ready to wet the party up, and whoever in that  
motherfucker  
Nasty new street, slugger my heat seeks suckers  
on the regular mashin in a black Ac Integ-ra  
Cock back, sixty seconds til the draw that's when I'm  
dead in ya

Feet first, you got a nice gat but my heat's worse

From a Thug to preachin church, I gave you love now  
you eatin dirt

Needin work, and I ain't the nigga to put you on

Cause word is bond when I was broke I had to hustle til  
dawn

That's when sun came up, there's only one way up

hold ya head and stay up, to all my niggaz get ya pay  
and weight up

If it's on then it's on, we break beat-breaks

Outlawz on a paper chase, can you relate

to this shit I don't got, be the shit I gotta take

Dealin with fate, hoping God don't close the gate

If it's on then it's on, we break beat-breaks

Outlawz on a paper chase, can you relate

to this shit I don't got, be the shit I gotta take

Dealin with fate, hoping God don't close the gate

Chorus (repeats in background)

Long time til I be take off this load

But we ride, ride it like a bullet

Hail Mary, Hail Mary

We won't worry everyting will come real

Free like the bird in the tree
