"Forget You"

I see you drivin' 'round town with the guy I love
And I'm like, forget you
I guess the change in my pocket wasn't enough
I'm like, forget you and forget him too

Said, if I was richer I'd still be with ya
Huh, now ain't that some shh (ain't that some shh)
Now though there's pain in my chest
I still wish you the best
With a.. Forget you!

Yeah I'm sorry, I can't afford a ferrari
But that don't mean I can't get you there
I guess she's an Xbox and I'm more an Atari
Hmm, but the way you play your game ain't fair

I pity the fool that falls in love with you
(Ooh, she's a gold digger, just thought you should
know
it)
Ooh, I got some news for you
Yeah! Go run and tell your little girlfriend

I see you drivin' 'round town with the guy I love
And I'm like, forget you (ooh)
I guess the change in my pocket wasn't enough
I'm like, forget you and forget him too

Said, if I was richer I'd still be with ya
Now ain't that some shh (ain't that some shh)
Now though there's pain in my chest
I still wish you the best
With a.. Forget you!

Now I know, that I had to borrow
Beg and steal and lie and cheat
Tryin' to keep ya, Tryin' to please ya
'Cause being in love with you ain't cheap

I pity the fool that falls in love with you
(Ooh, she's a gold digger, just thought you should

know
it)
Ooh, I got some news for you
Oh, I really hate you right now

I see you drivin' 'round town with the guy I love
And I'm like, forget you
I guess the change in my pocket wasn't enough
I'm like, forget you and forget him too

Said, if I was richer I'd still be with ya
Huh, now ain't that some shh (ain't that some shh)
Now though there's pain in my chest
I still wish you the best
With a.. Forget you!

Now baby, baby, baby why do you wanna, wanna hurt
me so
bad (so bad) so bad
(so bad) yeah, ohh
I tried to tell my momma but she told me this is one
for your dad (your dad, your dad, your dad)
Yes she did, Yes she did

(Ooh) WHY?
(Ooh) WHY?
(Ooh) WHY? BABY?
(Ooh!) I love you! I still love you! Hey yeah!

I see you drivin' 'round town with the guy I love
And I'm like, forget you (forget you, ooh yeah)
I guess the change in my pocket wasn't enough (ooh)
I'm like, forget you and forget him too (ooh baby)

Said, if I was richer I'd still be with ya (yeah you)
Huh, now ain't that some shh (ain't that some shh)
Although there's pain in my chest
I still wish you the best (wish you the best)
With a.. Forget you! Oooh
