Oh you meanie minie mo,
When you let me go
You let me in the middle of next week
When you said you'd let me go
Did I holler "No"
Now the tears are rolling down my cheek
Boohoo, you've got me crying for you
And as I sit here and sigh
Says I, "I can't believe it's true"
Boohoo, I'll tell my mama on you,
The little game that you played
Has made her baby oh so blue
You left me in the lurch
You left me waiting at the church;
Boohoo that's why I'm crying for you
some day you'll feel like I do
And you'll be boohoo hoo in too
