The lord above made the world for us, but the devil
made Las Vegas

Oh Las Vegas, you'll be the death of me, city of sin oh
what a mess I'm in, look what you've done to me

Oh Las Vegas, I'm losing everything, why do I stay
when every game I play, I just get deeper in

Hey Las Vegas, can nothing save us from you, night
after night, watching the wheel go round
Hey Las Vegas the devil gave us to you, one of these
days, I'm gonna burn you down

One black Sunday, I came to visit you, just for a day, to
pass some time away and shoot a game or two
Oh Las Vegas that was a year ago, what can I do you've
got me hooked on you and I can never go

Hey Las Vegas, can nothing save us from you, night
after night, watching the wheel go round
Hey Las Vegas the devil gave us to you, one of these
days, I'm gonna burn you down

INSTRUMENTAL (8 BARS) " seems shorter

Hey Las Vegas the devil gave us to you, one of these
days, I'm gonna burn you down, one of these days, I'm
gonna burn you down, one of these days, I'm gonna
burn you down.
