The lord above made the world for us but the
Devil made Las Vegas-
Oh Las Vegas you be the death of me city of sin
Oh what a mes i'm in look what you've done to me
Oh Las Vegas i'm looseing everything Why do i
Stay when every game play i just get deeper in

Hey Las Vegas Can nothing save us from you
Night after night watching the weel go round
Hey Las Vegas the devil gave us to you one
Of these days i'm gonna burn you down

(las vegas)
(las vegas)

One black sunday i came to visit you just for a day to
Pass some time away and shoot a game or two
Oh Las Vegas that was a year ago what can i do you've
Got me hooked on you and i can never go
Hey las vegas can nothing save us from you
Night after night watching the weel go round
Hey las vegas the devil gave us to you one
Of these days i'm gonna burn you down

Hey las vegas the devil gave us to you
One of these days i'm gonna burn you down

(las vegas)

One of these days i'm gonna burn you down

(las vegas)

Yes one of these days i'm gonna burn you down

(las vegas)
