You're not my mother, you're not my mother, you're not
my mother, you're not my mother
I am badger, I are weasel
I am badger, I are weasel
I am badger, I are weasel
I am badger...

Do I smell fried chicken? Do I smell fried chicken? Do I
smell fried chicken? Look over there, that friends is a
nest of osprays!

I am badger, I are weasel
I am badger, I are weasel
I am badger, I are weasel
I am badger...

Turn off the television, turn off the television, turn off
the television, the robots can read your thoughts if you
watch television...

I am badger, I are weasel
I am badger, I are weasel
I am badger, I are weasel
I am badger...

I am Madonna...

When you call my name, it's like a little prayer, I'm
down on my knees I want to take you there, in the
midnight hour I can feel your power, just like a prayer,
you know I'll take you there
I hear your voice, it's like an angel sighing,
I have no choice, I hear your voice, Feels like flyin, I
close my eyes, oh god I think I'm falling out of the sky, I
close my eyes, Heaven help me...
when you call my name it's like a little prayer, I'm down
on my knees, I want to take you there, in the midnight
hour, I can feel your power, just like a prayer, you know
I'll take you there, like a child, you whisper softly to me,
you're in control, just like a child, now I'm dancin
it's like a dream, no end and no begining, you're here

with me, it's like a dream, let the quire sing
when you call my name, it's like a little prayer, I'm down
on my knees, I want to take you there, in the midnight
hour, I can feel your power, just like a prayer, you know
I'll take you there...

Just like a prayer, your voice can take me there, just like
a mystery, you are a mystery, just like a dream you are
not what you seem, just like a prayer, no choice your
voice can take me there, just like a prayer I'll take you
there, I'll take you there, like a dream to me, oh ya, oh
ya ya ya ya, like a prayer I'll take you there, I'll take you
there, like a dream to me... I'll take you there...ya ya
ya... it'll be fun, road trip, i'll take you there, but you
have to give me directions first... yeah yeah yeah...

I am badger, I am badger, I am badger, I am badger
