I'm broken
All over
Mean daylight
While sleeping
While sleeping

Ding dong wishing/with a ship(?), nobody's going away
I'm heading where storm lays it's head
Ding dong wishing/with a ship(?), going down staying
aware
I'm heading where the storm lays it's head

I'm broken
All over
Mean daylight
While sleeping
While sleeping

Ding dong wishing/with a ship(?), nobody's going away
I'm heading where storm lays it's head
Ding dong wishing/with a ship(?), going down staying
aware
I'm heading where the storm lays it's head
I'm broken
All over
I'm broken
All over

No time to precociously decide of functions
For I, a huge mountain to climb but to fall 'til
The daylight leaves the dark behind
Shameless intercourse of mine

And there's no hurting this time of your for I cannot be
Caught because I go faster than wind blows
The daylight leaves the dark behind
Shameless intercourse of mine

I'm broken, I'm broken
I'm broken, I'm broken
I'm broken, I'm broken
I'm broken, I'm broken

I'm broken, I'm broken
