Build a better life  
Near the Hot Hoods  
Buy a new suit  
Matching your Revived Mood  
Find yourself some New Friends  
And this will depend  
On the kind of money and the lack of Time You Don't  
Spend  
( Once ) a relative success  
You become obsessed  
By what the people say and then your Private Live is a  
Mess  
But don't give up  
Unless you do stop  
Drop the conversation  
It's causing awkward situations  
If not  
You can come back  
If you want

I'm a Toasty Girl  
Of a Strong Race  
I can't help it if I throw this all in your Face  
One more thing  
I don't tend to ring to  
Snobbish Inhabitants of Modernista Buildings  
I guess I caught a slight disease  
By the Freezy Breeze  
I pull a Poker Face and look into the sun 'till I sneeze

"Don't you ever give up?"  
Unless I do stop  
Drop  
The conversation 's causing awkward situations  
Knock Knock  
"Can I come back?"  
No you can't

You always whine about  
"My true Me"  
You are your Parents  
You've to work for other ones to be-

Come on  
What's up with you Cool Heroes  
Seem to Suffer Slightly when I Strike your Ego's  
But then I only recall what sounds well  
I start to think  
That I'd better ring someone to be helped  
Crash,  
A Coffeecup  
"And now it's enough!"  
Drop the conversation  
Before I cause a situation"  
Knock Knock  
Can I come back  
Knock Knock  
Do you wanna come back?  
No you can't  
Unless you really want  
Oh in case you really want
