

## An Pierle "Jupiter"

Visit "[Jupiter](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Jupiter looks good tonight  
But I fear to fall into the sky  
Let it be, for what it's worth  
Let it bleed into a mild surprise

I mustn't make you cal  
Anyway at all  
I mustn't make you call  
We ain't got a future  
That is all

Let the game start  
The dogfight in the backyard  
We must face reality  
To impress me  
You need more than Action hero clothes and Sex  
appeal

I mustn't make you cal  
Anyway at all  
I mustn't make you call  
We ain't got a future  
That is all

I don't know the way love flows  
In other words  
It's dangerous for me  
All my future hopes could be destroyed  
In less than 1,2,3  
And I know  
Yeah I know  
This ain't built to last  
And I know  
Yeah, I know  
That all good things must pass  
But this one flees too fast  
Oh oh

I mustn't make you cal  
Anyway at all  
I mustn't make you call

We ain't got a future  
That is all
