Because I'm young and foolish at heart
I search the way to the stomach
To nutcrack the undigest thoughts
Mad dogs bite
Out of love
For the unborn adored baby

Because I'm young and foolish at heart
My head stands in my senses' light
I start eclipsing my lovers too soon
Mad dogs bay at the moon
Out of love
For the unborn adored baby

Bring me bring me hollow words to fill
The holes in my pockets
Run on dry

Because I'm young and foolish at heart
I won't leave to chance second chances
By trashing the muses before they arrive

Mad dogs sleep with open eyes
Out of love
For the unborn adored baby

Bring me bring me hollow words to fill
The holes in my pockets
Run on dry
Bring me hollow hollow
Hollow words to fill
The holes in the palm of my hands
Run on dry

Because I'm young and foolish at heart
I try to crash through the wall of sound
By breaking my voice on physical love
Mad dogs sing out above
To shut up
All the unborn adored babies
I gave birth to a dog
Baby
