Sing song sally
Hits the roads
She fled from everything
They foretold
So
Frankly spoken
Theyd adore
To see her falling in her quest for
Love love love
Little sally
Shameless girl
They are just as jealous as you
Question their world
Shed say: ok
Ill be going
All the way
But the hardest way of living
Is from day to day
Lazy days
In the sun
It doesnt matter if your battles won
If its done
Living day to day
Ahaah
Its so sad
Little sally heads
Straight to heartache
Its been said
Silly sally
Heads straight to heartache
Its too bad
Silly sally asked for a heartache
Lazy days
In the sun
It doesnt matter if your battles won
Its fun
Living life
Day to day
Cause its better to burn out than to fade
Away
Its better to burn than fade to grey
Its so sad

Silly sally heads straight to heartache
Its so
