"Shine On"

Visit "[Shine On](#)" on MotoLyrics.com

Sometimes it's easy, sometimes it's not
I feel the pain deep in my heart
Good times and bad times, sunshine and rain
Whenever I need you, I'll call you name

You and I, me and you
What I feel, now I sing it for you

Shine on little star
Shine on wherever you are
Shine on and take my hand
And lead me to the promised land

It's like a dream, I wanna fly
Baby I love you, never say goodbye
Wherever you go, whatever you do,
you'd have to know
I wrote this song for you

Tell me now, we'll stay together
I love you, forever and ever

Shine on little star
Shine on wherever you are
Shine on and take my hand
And lead me to the promised land

I see you light is shinin' bright
I feel you love deep inside

Shine on little star
Shine on wherever you are
Shine on and take my hand
And lead me to the promised land
