"YES OR NO"

You leave nothin' but confusion

my mind is ready to explode

was you love just an illusion

or was it nothing' but the truth

so tell my baby

chorus:

I like to know

if you love me - if you hate me

so tell me now

what your feelings are about

decide it now

if you stay or if you leave me

you got to tell me now.

Yes or no... or no

I'm tired of your hesitaion

I wann know what's going on

you gotta make this one decision

you gotta make it just right now.

so tell me baby

chorus: I like to...

I like to knw

if you love me - if you hate me

you got to tell me now

Yes or no... or no

Yes or no... or no
