Once upon a time we used to plot crimes
Got busy in the summer time
Forever with my arm around your waist line
Used to groove to the rhythm of the base line
Used to climb up Indian Rock and
Watch the sun set low across the rooftops
And just like the beat will stop
The beat will drop
You can try but you can't rewind the clock
Oh you can't love when your heart is locked
Oh and I've lost the key babe
Is it me babe
Is it me babe
Is it me babe

I keep callin darlin are you listenin
You know your heart won't tell no lies
I keep callin darlin are you listenin
I said your heart won't tell no lies

Once upon a time we had a good thing
But these days I find myself cryin
Sugar don't you know I'm dyin
And I'm tryin to get through
I'm tryin to get through
But what am I supposed to do
Could it all be true babe
Is it you babe
Is it you babe
Is it you babe

I keep callin darlin are you listenin
You know your heart won't tell no lies
I keep callin darlin are you listenin
I said your heart won't tell no lies

And we used to sing Ooooooooooh
