Hey little sista could you help me around
All these cats that be bringin me down
I'm the Duke of New York buyin drinks all around
On the street sellin my beats by the pound

Don't you know I got a plastic soul
I've got a heart of stone
You know I got a plastic soul
I've got a heart of stone

Let's get outta this zoo I'm tellin you
'Cause the bomb's gonna fall it's gonna fall on us too
And my brain is on Mars and I'm blowing a fuse
Look out all you rock n rollers I've got a job to do

Don't you know I got a plastic soul
I've got a heart of stone
You know I got a plastic soul
I've got a heart of stone....
