i'm just a space cadet
my girlfriend
smokes cigarettes
and tell me i'm an idiot
i'm just a space cadet
i'm just a space cadet (cadet, cadet)

floatin' around
in lost and found, yeah
there aint a sound round here
and i guess i'm just like scooby doo
and suzie q
me and you

(x2)
i'm just a space cadet
my girlfriend
smokes cigarettes
and tell me i'm an idiot
i'm just a space cadet
i'm just a space cadet
(oh,oh,oh,oh)

i met a girl
in lost and found
there aint a sound round here
and shes sayin' welcome to where it's at
sidewalk chalks on the doormat
and two could stop and chat
and if you feel like (mmm)

(x3)
i'm just a space cadet
my girlfriend
smokes cigarettes
and tell me i'm an idiot
i'm just a space cadet
i'm just a space cadet
