Words of love, so soft and tender
Won't win a girls heart anymore.
If you love her then you must send
her Somewhere where she's never been before.
Worn out phrases and longing gazes
Won't get you where you want to go, no!
Words of love, soft and tender
Won't win her
You oughta know by now
You oughta know, you oughta know by now
Words of love, soft and tender
Won't win her anymore.
You oughta know by now
You oughta know, you oughta know by now
Words of love, soft and tender
Won't win a girls heart anymore.
If you love her then you must send
her Somewhere where she's never been before.
Worn out phrases and longing gazes
Won't get you where you want to go
Words of love, soft and tender
Won't win her anymore,
anymore.
