[Verse 1: Khrys Lawson]

When I met her, her smile would light up my eyes
When I couldn't picture us she helped me visualize
She realized my problem knew I wasn't into trickin
This comforted my past and why I wasn't into kissin
I did my state love she would just provide by my side
She just showed me how a real woman ride
From the moment that I seen her I knew that she had
me
Gold fronts in her mouth she wanna stunt like her
daddy
My lil BG, perfection in everyway
Beautiful in clothes breathless in lingerie
When I would drink she would drink too
And when I would leave she would text me Baby I miss
you
Got the only thing in life I'd never thought I'd find
Shes always on my mind she motivates me to grind
Babe, your like my favorite season
That's why I'm missing you like an incomplection

[Chorus: T-Pain]

Baby I'll be back whenever you need me
You gone be so happy when you see me
Cause I'm a hustla
But I'm ready to snuggle up witcha
Tell me where you at and I'll come get ya girl
I know you at home all alone
Texting my phone like oooh
I'm missing you
I'm missing you
Oh
I'm missing you
Ooh
I'm missing you
I'm missing you

[Verse 2:]

When I discovered that she loved me
I knew she couldn't leave
When she waited for me

I knew it had to be
Something special that only my heart could see
Attitude intent but she is just like me
Bonnie and Clyde how we ride
My Yamaha mama
Through the ups and downs and the good times and
drama
In the bed we lay up and snuggle all night
And I always bend wrong but this feels so right
She don't believe in love
I don't believe in trust
But no matter what we still gone believe in us
You're the angel to my hell
The scent to my smell
You deliver happiness that I receive out the mail
Anything I need baby girl will go get it
Anything I want lil mama always with it
And when I'm gone and she all alone at home
She call me and we're kissin thru the phone

[Chorus: T-Pain]
Baby I'll be back whenever you need me
You gone be so happy when you see me
Cause I'm a hustla
But I'm ready to snuggle up witch a
Tell me where you at and I'll come get ya girl
I know you at home all alone
Texting my phone like ooh
I'm missing you
I'm missing you
Oh
I'm missing you
Ooh
I'm missing you
I'm missing youu

[Hook: Khrys Lawson]
Everday she's on my mind
I think about her all the time
And while I'm on my grind I'm thinkin of herr
Thinkin of her
And while I'm the block
I'm missing you
And while I push the drop
I'm missing you
And while I'm on the streets
I'm missing you
Well you know I never neat
I'm missing you

[Chorus: T-Pain]

Baby I'll be back whenever you need me
You gone be so happy when you see me
Cause I'm a hustla
But I'm ready to snuggle up witcha
Tell me where you at and I'll come get ya girl
I know you at home all alone
Texting my phone like oooh
I'm missing you
I'm missing you
Oh
I'm missing you
Ooh
I'm missing you
I'm missing youu
