I'VE GOT THE MUSIC IN ME

By Ki Ki Dee

Ain't got no trouble in my life

No foolish dream to make me cry

I'm never frightened or worried

I know I'll always get by

I heat up, I cool down

When something gets in my way I go around it

Don't let life get me down

Gonna take it the way that I found it

[I got the music in me] (3 times)

[I got the music in me] (3 times)

They say that life is a circle

But that ain't the way that I found it

Gonna move in a straight line

Keeping my feet firmly on the ground

I heat up, I cool down

I got words in my head so I say them

Don't let life get me down

Patch a hole in my blues and just play them

[I got the music in me] (3 times)

[I got the music in me] (3 times)

Feel funky, feel good

Gonna tell you, I'm in the neighborhood

Gonna fly like a bird on a wing

Hold on to your hat honey, sing, sing, sing

I heat up, I cool down

I got words in my head so I say them

Don't let life get me down

Patch a hole in my blues and just play them

[I got the music in me] (3 times)

[I got the music in me] (3 times)

[I got the music in me] (3 times)

[I got the music in me] (3 times)

Ain't got no trouble in my life

No foolish dream to make me cry

I'm never frightened, I'm never worried worried

I know, I know, I'll always get by

I got the music, pretty music

I got the music, in me

[I got the music in me] (3 times)

[I got the music in me] (3 times)
