I know it's hard, listen now, we can make it
Time can change everyone, let me be your valentine
Things I've said things I've done can't take them back
Give me a second change I will take it
Do it right let's not fight we can make it
And beside after well, we place some tears
And I know you can't forget
But I hope you can forgive
Now our love will find a way
So we can leave the past behind

Heartbreaker, I'm not the one I used to be
I'm not a backstabber
Can't you see that I have changed?
Give me one more chance now
Let me be your valentine

I'll behave, I'll be good
I'll be better
Can not stay seventeen forever
Take your time I'll be here
I'll be here for you (I'll be here for you)
Come with me and you'll see
The best of me
Never as average boy I used to be (????)
Mark my words cause I'm the off for real

Heartbreaker, I'm not the one I used to be
I'm not a backstabber
Can't you see that I have changed?
Give me one more chance now
Let me be your valentine

Give me one more chance now.
Heartbreaker, I'm not the one I used to be
I'm not a backstabber
Can't you see that I have changed?
(Heartbreaker, Backstabber)
Give me one more chance now.
Let me be your Valentine
