Lost it
And you felt it
You're a hypocrite
And I'll gladly hurt you now
There's no action in the veins I have
But words might just do good

Now I heard a "GO!"
And it felt a bit amusing
Still I'm running with no
Sympathy at all
(We move along, on a line)
If you could see love
You'd see it in my eyes
But clearly you're malfunctioning
Cause you stared up at the sun
Remember
Who I am
It's not me that will change
There was a show

Lost it
And you felt it
You're a hypocrite
And I'll gladly hurt you now
There's no action in the veins I have
But words might just do good

The crowd was made of cardboard-boxes
It was one big joke
Reconciliation
Show my stronger side
Case is closed for good
This might be an anthem
And time is now
But here I am to float
To float around
Time to move real quick
And change my life

Lost it

And you felt it
You're a hypocrite
And I'll gladly hurt you now
There's no action in the veins I have
But words might just do good
