We didn't start with moving fast
At least the charm was all attached
Don't pull the cord, just send your thoughts
You need a boy, and I'm all yours

I just need one second
To show you
One minute
To move you
One hour
To charm you
a lifetime
To show you who I am

Head for the sun
'Cause we need the time, the time alone
We spend our days and spend our cash
Need our thumbs to get us back

People say you'll find your heart
I'm sure I found mine from the start

Won't be there to stop you!
Prove yourself girl
I am more than nervous
Stop and prove...

To be the one for you...
You're the only one for me
