I'm living, and loving it all
So forgiving, my life tells it all
Right there, see her
It's not fair at all
Some things perfect
I'm loving it all

(Chorus)
Don't you know this is burning inside of me
All for you
I'm strangling everything
All for you

A new beginning
Like summer to fall
Losing, and winning
Well I've had them all
To be here, and treat her
I've done this before
I'm stuck up, and fucked up
You've never seen this side of me before

(Chorus)
Don't you know this is burning inside of me
All for you
I'm strangling everything
All for you

Flat out im running
To where my heart is it is turning
Green like a stoplight
Im driving
No I'm running
No I'm running

(Chorus)
Don't you know this is burning inside of me
All for you
I'm strangling everything
All for you
This is burning inside of me

All for you
Well I'm strangling everything
All for you

All for you
(Repeat)
