Well it's hard to say  
If I'm afraid  
When I've not slept in 14 days  
Is there another way  
To be insane?  
Evaluate what I've become

I like how you got here  
Do you like how you got here?  
I like how you got here

(Chorus)  
Now that this is over  
Do you feel safe inside?  
Do you like how you got here? (Do you like how you got here?)

Well it's hard to train  
The everyday  
When there's nothing in your life that matters  
So who will cry?  
A suicide  
Nothing in this place that matters

I like how you got here  
Do you like how you got here?  
I like how you got here  
Do you like how you got here?  
I like how you got here

(Chorus)  
Now that this is over  
Do you feel safe inside?  
Do you like how you got here? (Do you like how you got here?)  
Do you wish that you were sober?  
To me it's all a lie  
Now that this is over (Do you like how you got here?)

I like how you got here  
I hate what we've got here

I like how you got here

Well it's hard to say  
If I'm afraid  
When I've not slept in 14 days  
Is there another way  
To be insane?  
Evaluate what I've become

(Chorus)

Now that this is over  
Do you feel safe inside?  
Do you like how you got here? (Do you like how you got  
here?)  
Do you wish that you were sober?  
To me it's all a lie  
Now that this is over (Do you like how you got here?)

I hate what we've got here  
I like how you got here  
(Repeat 3X)
