Just you wait
For what's in store for you
I have faith
I believe in you
Do you believe in me?

Cause I'm sick of it all you beating me
I've heard of it all you changing me
Not willing to fall you're breaking me
So sick of it all

Lie, don't stay
From what I've taught you so
You can take
A life that's not your own
Do you believe in me?

Cause I'm sick of it all you beating me
I've heard of it all you changing me
Not willing to fall you're breaking me
So sick of it all

Just you wait
I have faith
Lie don't stay
You can take

Just you wait
I have faith
Lie don't stay
You can take

I'm sick of it all you beating me
I've heard of it all you changing me
Cause I'm sick of it all you beating me
I've heard of it all you changing me
Not willing to fall you're breaking me
So sick of it all

So sick of it all
(Repeat 2X)
