Dj....Premier...

[Fred Durst]

Uh uh uh

Who could be the boss?

Look up to the cross

Stranded in the land of the lost

Standin up I'm sideways

I'm blazin up the path

on and on the highways of rap

Choked up by the smoke in the charcoal

Lava stamps and brands me like a bar code

I'm bashin all the media strikes

To keep the media dikes

As reinforcements for the fight

And that alone

Will keep John Gotti on the phone (haa haa)

I'm tangled in the zone

I got the bees on the track

Where the fuck you at? (Tical!)

Let me hear you pigeons run ya mouth now

(Shut the fuck up!)

I'm pluggin in them social skills

That keep my total bills

Above a million

Last time I checked it

Thank God I'm blessed with a mind that'll wreck it

Wait until the second round and knock em out

[Method Man]

They call me Big John Stud

My middle name Mud

Dirty water flow

Too much for you thug

And can't stand the flood

What up Doc? Hold big gun like Elmer Fudd

The sureshot

Mr. Meth I'm unplugged (learn)

Temperatures too hot for sunblock (burn)

Playin wit minds

will get you state time

Locked behind 12 bars from a great mine

Killa bees in the club

Wit his ladybug

Brought a sword to the dance floor

To cut a rug

Love is love all day

Till they throw slugs

And take another life in cold blood

Can't feel me til its your blood

Murder rates tremendous

Crime is endless

Same shit different day

Father forgive us

They know not what they do

All praise is due

Im big like easy

And big bamboo

[Chorus (Meth) 2x]

Whats that, I didn't hear you

(Shut the fuck up)

Come on, a little louder

(Shut the fuck up)

Everybody in together now

(Shut the fuck up)

What huh

(Just shut the fuck up shut the fuck up)

[Meth]

Head strong dead calm ??

Dead weight to dead wrong

Lets get it on

Twelve rounds

I'll throw down

Wu whole crown

Protect land wit 4 pound

Limp Bizkit

Get around like merry-go

Bust a scenario

Comin through your stereo

Why risk it

Lifestyles of the prolific and gifted

8 essential vitamins and minerals delicious

Word on the street is

They bit my thesis

Knocked out they front teefer

Tryin to taste mine

Actin like they heard it through the grapevine

Dope fiend in for the bassline 2 for 5 rhyme

Pharmaceuticals

hard as nails to the cuticles

Where you find that monster she beautiful

Wu Tang and Limp Bizkit roll on the set

Kick a hole in the speaker pull the plug and inject

[Fred Durst]

Mic check

So whats it all about? (bout)

And where we gonna run? (run)

Maybe we can meet up on the sun

Discretion is advised

For the blood emergin eyes
We limp on the track with the Method
So get the sunblock (sunblock)
You gettin one shot (haa)
Until you dissolve
I revolve
Around everything you got
From outta nowhere
Prepare
You be blinded by the glare
I told you not to stare
Now you're turned into stone
Without a microphone
But don't you forget you're in a zone
(So shut the fuck up)
And take that shit back
Cuz all your shits wack
(Doo doo is doo doo)
When its weighed out like that
Burnin up your brain like a piston
So all those that didn't listen
Now they even knew what they were missin
And now they even knew the sky was fallin
Down
Wu Tang Clan for the crown
[Chorus 2x]

[Meth]

It was over your head

All day and every day

S I N Y 10304

Wu Tang Killa Bees

And the Limp B-I-Z-K-I-T

Y'all know the time

Y'all know the rhyme

It ain't easy bein greazy in a world full of cleanliness

And, you know, all that other madness

We gone Peace

Limp Bizkit

Method Man

Rock the house y'all

Bring it on
