Nagai nagai yume wo mite itano
Kokoro mayowa su fake illusion guchaguchana
maboroshi

Karada wo yose au hodo chi ni ue ta akuma ga migime
kara nozoki dasu

Itazura wo tadoru sekai de kusatte iku risou ni
Tome donai ai to seigi nagashi te
Kowasa re ubawa re ori dashi ta akai ame wo kimi ga
koumuru kotohanai
You're just dreaming the black side

Kitto otona ni narunoga hayaku te
Kitto mou sukoshi kodomo deitakattato negau
karadeshou ?

Dare noseidemonakute kimi noseidemonakute ji kizu
ha tashou
no bigaku de
Ase wokaki tsuba wo haki beso wokaki tadamogaki
konseiki saikou
no pesu de
Teki nante doko nimoinaisa takusanno suteki na deai
wo
Aise nai kyasha na gusei wo kaki mushire

Itazura wo tadoru sekai de kusatte iku risou ni
Tome donai ai to seigi nagashi te
Kowasa re ubawa re ori dashi ta akai ame wo kimi ga
koumuru kotohanai
You're just dreaming the black side
